Food from thought

Caisley tags are high quality, high retention & available for delivery within the week, overnight or while you wait.

Outstanding 99% Retention

Free and frictionless rotation of the locking mechanism reduces snagging and tag loss.

High elasticity and non brittle plastic

Won't go brittle and snap over time.

Easy to Read

Dark print with clear font will reduce reading errors.

FREE Conversion pins

Suitable for Shearwell, Allflex, Quicktag and *some* ZeeTag (Blue, Black and Yellow)

One universal applicator for all tags

You will only ever need the one Universal Applicator.

Flexible Service

Standard delivery, overnight, or “While U Wait” from our Trade Counter and Market Drayton Livestock market.
